OUR FOUNDERS.....our Mentors

Dr. Neena M Williams

Founder Manager Mount Carmel

Sahodaya, conceptualized by CBSE in 1986, has materialized in the form of Sankalp Sahodaya South West Delhi. The first meeting was held on May 21, 2007 at St. Mary's School, Dwarka. The aim is to get together and rise together.

The Principals of the member schools meet, plan activities and participate whole heartedly in workshops, athletic meets and other games , thereby involving the students and teachers of all the member schools. Though it was initially planned for the South West Delhi Schools, we welcome any CBSE affiliated school who wish to join hands with us in case of absence of CBSE Sahodaya in the region.

To come up as a forum to share, spread and strengthen the universal values of inclusivity, tolerance and empathy for a harmonious society.

It all started when a handful of School Principals, from the few existing Schools of Dwarka then, made a resolve to not just know each other, but work together to establish Dwarka as a hub of worthy educational institutions that were a force to reckon with!

This endeavor led to the birth of Sankalp Sahodaya which is today brimming with enthusiastic members.... working in synergy. The vision, hard work and collaboration of founder members resulted in laying a firm foundation for the vibrant Sahodaya that we see today.

Previously as the Founder Secretary of Sankalp Sahodaya and today as the Life Member, I wish all success for the forthcoming Principals' Conclave to the present Governing Body.

As we celebrate our 10th 'Foundation Day' and the first newsletter 'going down memory lane' seems to be most apt. . . . a phrase that is so often used and quite jaded! What else can we call a journey such as this!

When we started this Sahodaya it was simply to know each other and share the common bond. Being educationists and understanding that sharing resources as well as ideas was the best way to grow, we decided to join up and form a Sahodaya, an initiative that the CBSE recommended.

Like minded friends like Mrs. Neena Williams, Mrs. Mrinalini Kaura, Mrs. Laly Mathew and Mrs. Sarita Sinha were as enthusiastic. We met eagerly for the first meeting in St. Mary's School, Dwarka. Soon it became a regular feature to meet, share problems, solutions, thoughts and give each other moral support.

Today we have 25 schools as members of this vibrant Sahodaya which we named 'Sankalp'. The meetings today have evolved to plan out activities and competitions in sports, academics as well as in the cultural front.

The comradery amongst the members is clearly visible as we sit and plan for the forthcoming events. I must say that it been an exhilarating ride with all ups and no downs!
